ARYANA PRETTY LITTLE MOUTH

I've always been told that one of my best features, besides my booty, is my mouth. Everyone loves my full lips, and guys really love them when they're wrapped around their cocks. I wear bright lipstick so they can focus on it better. And I think it's fun when I leave a red ring around their cock.

I entered many rump-shaking contests over the past few years and there were very few of them that I did not win. But my butt has another little secret. It's never been penetrated. With all the pressure to do so, I'm still an anal virgin and plan to keep it that way – until I meet the right man. As far as I know he may be reading these words right now! Is it you?

TONGUE ON TONGUE
PUSSY ON PUSSY**

Strokahontas and Kianna are close friends – and lovers. They met a couple years ago on another set and became instant friends, but did not do a scene together then. This time they would. When the two met at the set they were all over each other. Hellos turned into kisses and kisses turned into, well, you know.

They couldn't wait to get their hands on each other. While the crew was setting up the girls were in the makeup room and so horny that Kianna started licking Stroka-hontas' pussy while she was getting her makeup done. Strokahontas returned the favor when Kianna was in the chair. Later they told us that each one of them came, and the makeup artist confirmed it. Too bad we didn't have cameras in there at the time.

Black Dolls: *Oso Lovely is just that. She's so cute with a great little booty. I'd tap that ass today and tomorrow, but I don't know if it would hold up for a full week. At that point she'd have to use her mouth, pussy and ass to keep me satisfied. I hope she's willing to try?*

in amazement. Derreck however was very interested. "The only thing that is missing is that you are still dressed!" he said. So we both took off our clothes and bras and are just in panties. We start kissing again rubbing each other's breasts and I have to wonder could she be as turned on as I am right now?

So I reach down and rub her pussy on top of her panties and they are soaked! She jumped a little at first, but then returned the favor. This went on for hours till my little white cotton bikinis were soaked. Turns out Jonell had too much to drink and was getting sick, so Derreck said he would take him home. It was around one in the morning, so Amber and I decided to go to bed.

We cuddled up on her futon still in just our panties and she said it was really fun kissing me in front of the boys as she was softly rubbed my breast. We

gorgeous, but she's pretty cute and has a smoking hot body. She's very curvy and thick and has awesome perky boobs with dark black nipples that always are poking through her tight blouses.

We are all sitting on the floor, the guys have no idea what's about to happen. We start kind of giggling and start kissing. First it was just dry pecks on the lips but then Amber slips me her tongue and we start long wet kisses. Jonell just stared

When the guys are away

It was a pretty typical Friday night for late September here at Emory U. in Atlanta. Everyone gathers at someone else's house for some weekend games and that often includes some radical, night long battles on the Xbox or PlayStation.

Of course it also includes beer and other stuff to make the games more competitive. Those that don't play or don't want to play will often go into bedrooms and not come out until there's a knock on the door. However tonight it seemed like everyone

else had something to do.

There were only 4 of us this weekend; Derreck, Jonell, Amber and myself at her house, but usually there are six or more. We always try to have an even number of guys and girls so no one will get left out. House rules!

Amber pulled me aside and staring whispering in my ear that earlier in the day she had fucked Derreck and wanted him again, what could we do to put him in the mood. So of course I suggested make out in front of them! Amber isn't what you would call drop dead

Very carefully she spread our labia apart so our clits were touching. She started thrusting against me and I did it back harder. Our pussies rubbed together faster and faster till we both came

could always finish what we started and blame it on the alcohol in the morning. I laughed. I was so turned on! Neither one of us had ever been with a girl before!

I rolled on my side and we started kissing and caressing each other. I pinched her nipple and she moaned instantly making us both wet. I kissed her nipples and then started sucking them, as she writhed under me. As I slid my hand down her stomach hers was on my pussy on top of my panties. I slid my hand under her panties and felt my way to her swollen clit. I gave her a look of surprise and she whispered "Don't stop. Do whatever you want and I'll do it back to you till we both cum ok?"

I started rubbing her clit harder as she moaned and asked me to put a finger in. I did and she flooded my hand with her pussy juices. I couldn't let all that sweetness go to waste so I ever so slowly

licked my way down her belly and devoured that smooth pussy full force. My tongue parted her lips as I played with her clit and she screamed and pushed my head further into her swollen pussy. I tongue fucked her hole till she begged me to stop.

I sat up and took my panties off and laid on top of her. I did wondering what she was planning? Very carefully she spread our labia apart so our clits were touching. She started thrusting against me and I did it back harder. Our pussies rubbed together faster and faster till we both came and collapsed with scissors exhaustion. I rolled over beside her and she said she had never

cum like that and wanted to know what got into us? We heard Derreck come back in the house and called our names. We both laughed and fell asleep together.

– Chanelle

Just do it already

I turned 26 a couple months ago and discovered my lady was cheating on me. I dropped her as fast as I could and have found this wonderfully weird lady on my rebound. My ex was very conservative and we fucked mostly in the missionary position. That is when we did fuck. She rarely went down on me and even more rarely let me go down on her. So perhaps our splitting has

turned out to be a good thing for me.

My new lady, however, is more experienced and sometimes a bit too aggressive for me. She has sucked me for hours until I thought the skin on my cockhead was coming off. We screw in every position imaginable, but here's the thing: she wants anal sex! And I've never done it. She says it makes her cum more intensely and is kinda turned on by my anal virginity. She says she's learned that couples who do it have a much calmer and positive relationship than those that are more uptight about it. I probably would agree.

She tells me that when her

anus is stimulated, it has its own singular sensations.

While they are sexual and pleasurable, they are often more intense because that area will not be stimulated as often as the vaginal area. She says when she orgasms anally, she enjoys it immensely. I guess I'm ready to try it with her, but I just needed to vent a little since this is a subject I just can't talk to my homies about. I probably won't send this letter if I don't do it with her. But then I might send it if I do. Then I can tell you, and me, what it was like.

—from Lawrence R.

WAS THERE A GAME ON?

For the past year I've been having an affair with this chick named Yazmyn every time I visit Baltimore for business. I take the train from Union Station in D.C. and she meets me at the station there. Yazmyn could be considered a kept woman because she makes herself available whenever I come into town.

In order to keep things really fresh and exciting, I ask that we go somewhere new each time. Today it's the Nationals and the Orioles and somehow she's hooked us up with the VIP box. I didn't ask how she got it, just if it will be the two of us.

We make it to the game and to our box. The game was going on below us as we watched for a while through the big plate glass window. The first three innings ended and I turned off the lights. We both knew what we wanted as I pulled Yazmyn towards me. She melted in my arms. I started to kiss her and she willingly responded to me walking me backwards toward the couch. It had been more than three months since my last trip. Longer than most other times.

We collapsed down on it and both got undressed like over-eager teenagers going at it for the first time. Soon we were both naked. Wanda's nipples were as hard as bullets and her pussy was flowing with her wetness. Never had she felt so wet. My cock was rock hard in anticipation. I started

to kiss her nipples and began biting on first one then the other. Yazmyn threw her head back and groaned in ecstasy. Running my tongue gently over her stomach, Yazmyn opened her legs as far as she could get them, allowing me access to her fully aroused clit. I gently nibbled it between my teeth and she came almost immediately.

In a muffled voice I heard her demand that I lick her pussy. I duly obliged and snaked my tongue inside the folds of her labia and then deep into her pussy. As I was licking her, I maneuvered my body so we were in the 69 position with my cock only inches away from Yazmyn's mouth. She took it and started sucking eagerly taking it deep inside her mouth fondling my balls as she took as much of it as she could.

We were both nearing climax and as I licked hard on her pussy, Yazmyn sucked even harder on my cock. Our timing was perfect as she hit her orgasm, I shot a huge load of cum into her mouth and she hungrily swallowed every last drop, licking the tip clean.

We changed positions and I laid her back onto the sofa. Her legs were wide open and her cunt was glistening. I buried my cock into her right to the hilt and could feel my balls against her ass. Man, how I needed this as she found herself meeting my every thrust until finally I came again shooting a huge load deep inside of her. She came again as well just as the game was ending. I was good night. We turned the lights on and headed out with the crowd. I had to ask someone who won.

PROMISE I NEVER MAKE ONE I CANNOT KEEP

I have to admit that I'm a bit of a homebody. I also have to say that sex in the bedroom can get a little boring. I love doing it wherever I am and even in unsual places. Sometimes the guy has a problem with it, but that doesn't last long when I wrap my mouth around his cock. He won't even know where he was.

I love the taste of cock in the afternoon, and I love to have it deep in my pussy. I get all wet and horny waiting for it to split my pussy lips and plunge inside. We played all afternoon.

GEN SEX ME UP

I love men. They are so aggressive and so ready to fuck. They no waste time. They know what they want, and I do too. I want to do as many as I can before I lose interest in sex (which I don't think I ever will). So today I get to put another notch on my bedpost. This should be good entry into my diary.

I like to think men like me, too. I perform like I'm in a circus for them. Having been a gymnast, I'm pretty flexible and I bring that to the bedroom. One time I hung from an ornate chandelier while a guy ate me out. Another time two guys held my legs out while they guided me up and down on another guy's cock. That was a fun day. We had to practice a lot to get it right.

be careful what you ask for
you just might get it

One day I asked my girlfriend Jayden while we were in bed and a little tipsy, what would you do if you could do anything at all. She thought a while and turned red.

"Well, I am not sure how you're going to react to this but..." she stopped. "No never mind." she said. "What is it?" I asked her. "I just can't tell you." she said again. I got another wine cooler for both of us and we sipped them down as she was still thinking about how and what she was going to tell me.

I tried another tact to get her to talk. "I asked you, so I cannot hold anything you say against you, you know. I have done a lot of things so I can't be a hypocrite." I kissed her on her full lips and down to her pert nipples making her squirm. "Okay then, but remember, you made me tell you." she said. "Okay, go ahead." I said. "I'm ready."

She takes a long sip of her cooler and I settle back against the headboard. "Take your time, babe." I say to her. Hesitantly she begins. "When I was at college, there was a guy that I thought was great looking and I think that he liked me, too. We kissed a few times and I felt his cock and he sucked my titties. We were in a lab room, but when we heard footsteps coming down the hallway, we broke it off. We didn't want to be caught and get suspended." Now she got quiet. "Do you want to finish?" I asked her. "Well, yes, just once, I would like to do it with a white guy." I told her that I had been with a few white women and even an Asian girl or two so I could understand her desire. We made love again and I got up to go. The day had been really nice in bed together and I began planning how she could have her fantasy fulfilled. It took a couple months and when we met I had her bring her toy with

her, a nice 9 inch dildo, and when we were at the park or elsewhere, I told her to close her eyes and pretend it was another lover that was in her with me there and

enjoying every bit of it. She always had some explosive orgasms but was shy afterwards.

One Saturday I arranged for a friend to meet us at a nice hotel in the center of town. Brett was my height, about six-foot, but unlike me, he kept playing some sort of semi-pro football after we finished college, so he was buff at built. I asked him if he would like to join us he was more than happy to say yes.

Jayden and I got to the hotel early for some fun on our own and it was worth it. As I said, she's pretty shy, but when you get her alone she turns into this wild sexual animal any man would love to fuck. But lucky me, she's mine for now. I undressed her; we played a little rough as she liked and after a good spanking I ate her thru a couple orgasms. Around noon there was a knock on the door and she looked at me, "Who can that be?" she said. Why don't you answer it?" I told her. "Are you serious?" she said. "Leave your clothes on the couch and go to the door – just like that." She stood there looking at me, stunned. "I'm not answering a hotel door naked, are you crazy." she said. I guess she had a point. "Then I'll get it." I said, headed for the door and opened it. There was Brett, well built and good looking, smiling and fist bumping. "Am I late?" he asked coyly. "You're timing's perfect." I told him to come on in.

Jayden had no time to reach for anything to cover herself except a wash cloth which she held over her beautiful full chest, but that did not good. We laughed and said,

Brett leaned her back against his chest and kissed her neck, one of the weak spots I told him about. ...enjoy, it is going to be better than you ever imagined.

that it was not covering anything. She dropped it and sat on the bed. "What is this Reggie?" It's your fantasy, my dear." I told her. "She does look good." Brett said as he sat on the edge of the bed, introduced himself and began rubbing her shoulders. "I think we can really give her a nice time today, don't you Reggie. That is what we are here for. Brett leaned her back against his chest and kissed her neck, one of the weak spots I told him about. Shhhh, enjoy Jayden, enjoy, it is going to be better than you ever imagined. His hands came around to her breasts and took the nipples gently and began manipulating them, pulling and massaging. He kept kissing her neck as I moved to the other side of her and took her nipples in my mouth sucking then licking them. She began to moan and her eyes closed, "Oh, I can't believe this is happening." she moaned to me. "Oh my god, this feels so good."

Brett was now laying her down on the bed with me on the other side of her, kissing her all over we both were kissing and sucking her spots that got the best results making her orgasm without even touching her pussy. She was reaching for his bulging jeans when Brett stood up and stripped in front of Jayden, her eyes growing wider as he exposed one of the largest cocks she had ever seen. Jayden looked at his cock. It was about 8 or 9 inches and very thick. She reached out and took Brett's cock in her hands, massaging it slowly as I sat next to her and began sucking her boobs again. I noticed that she kept her eyes on the object of her desire in her hands as Brett watched her and smiled moving his hips in time with her hands.

Pre-cum began leaking from Brett's dick and she guided it slowly to her lips and licked the pre-cum, making her

moan at the taste of his cock. She then began taking it slowly into her mouth, inch by inch, until it was almost all the way down her throat. I moved to her pussy and

was eating her out as her other hand found my thick tool. Brett pushed into her mouth deeper and said, "I hear you like to suck and swallow." "Yes, I love it." she said. She moaned as he pushed his cock deeper into her mouth. I was still eating her pussy when he sped up and when he shot his load she struggled to swallow all of it. Her pussy squirted my face as she had her orgasm and I did all I could to lick it all up. Brett sat next to her after she let his cock go and he began kissing her again, I got up and told Brett that Jayden's pussy was ready for it. He then moved her up on the bed and Brett got between her legs, taking them and spreading them so that they were over his shoulders. He put the head of his thick rod to her pussy lips and began pushing in. Jayden almost fainted as it spread her wide. He pushed all the way in and Jayden cried out. He buried it in her pussy till his low hanging balls slapped against her brown ass.

I moved so Brett could have full control of her pelvis and he began pounding her pussy deep and hard. Her boobs were bouncing as she was devouring his cock into her

(She was moving slowly, taking advantage of the cocks in her and then after a long time Brett was saying he was going to cum again. She said he had to wait this time.)

pussy. Jayden had a couple orgasms in quick order and was going for another when Brett tensed up and filled her with cum and it seemed like he unloaded for ten minutes. Jayden later told me she had three orgasms in a row, one after the other as he filled her. He finished and moved over. He laid her legs down and I got into her pussy, sliding my cock slowly in to the point that she was moaning again. I did and she became frantic. Harder harder, I fucked her harder, ramming all the way into her

shaking with aftershocks of her orgasms. She moaned, "Please stay in me, don't get out yet." Brett pushed his half hard cock back in and she lay there enjoying the feeling. She was moving her pussy and ass slowly around our cocks deep in her making them slowly come back to life. Amazed, Brett asked, "How much of us can you take?" Jayden looked at me and said, "As much as I can get. This has been a fantasy of mine for a long time and I want to be sure I enjoy it for as long as I can." With that,

Brett began moving in and out of her. I began pinching her nipples and slowly coming back to life. She was moving slowly, taking advantage of the cocks in her and then after a long time Brett was saying he was going to cum again. She said he had to wait this time.

She took both of our cocks out and we stood up in front of her. She then took them in her hands in front of her near her mouth and began sucking one while massaging the other. She looked up at us and said "Now when you're ready, fuck my mouth and cum in my mouth. I want to compare and see how each of you guys taste." We got on our knees in front of her on the bed and she would suck Brett and then swallow his load. Then it was my turn and she stroked and sucked me until I came one more time. She laid on the bed

content after that. Brett and I found spots on the bed and laid back trying to catch our breaths.

Jayden rolled over to me and said "Thank you for the surprise, baby. He was just perfect." I told her that I enjoyed it as much as she did, and then admitted that I was a bit apprehensive at the start, too. "So you liked seeing me get fucked by another guy right in front of you?" she asked. "Yea, it was pretty cool. And to watch you do him as I did you, that was even hotter." Then much to my surprise she said that she wanted to do it again in a week or so, after her pussy and ass recovered. I told her I would see what I could do and turned to Brett. He gave me a thumbs up and said "I'm in!" I told her that in two weeks she would have to find us a white girl to share just as we did today. She smiled and said she already had someone in mind. "Do you remember Kaitlyn from my dance class?" she asked. I said I did and my cock started getting hard again. "She'd be perfect." we said in unison.

with every stroke. I was ready to cum but she cried out for me not to stop, but all I could do was put it off for a few more strokes, but I couldn't hold off any longer and I burst inside her pussy making her moan louder than I have ever heard her. But she didn't cum, so she reached over and grabbed Brett and began sucking him trying to get him hard again. He obliged and within a couple minutes managed to slide into her and her pussy massaging got him fully hard. Then she told him to fuck it hard, really hard, ram it in. She reached out and grabbed my cock, taking it into her mouth, sucking deep and I was back to full attention in minutes.

She repositioned both of us so she could sit on my cock, taking it into her ass then took Brett again into her pussy. Then she began having orgasms over and over again soaking the three of us with the juices squirting from her pussy. I filled her ass as he again filled her pussy. We all collapsed on the bed, Jayden still trembling and

RAYNE IS IT OBVIOUS WHAT I WANT

Fortunately for you guys, we girls are easily impressed. Whether you can play guitar, throw a football or change a tire, we girls are going to be into you. That was the case with this computer geek I met at the Apple store when I went in to buy myself an iPod. I was impressed with all that he knew and how he could convey that to me so easily. I flirted with him at the store and bought the iPod. A day later I went back in and asked him if he could show me how to upload music to it...

He told me that I needed to hook it
up to my computer, do this other stuff
and music would get downloaded.
I drew a blank at almost everything
and so he agreed to come over and
help me, even though he wasn't
supposed to. Well, he got my iPod up
and running and I wanted to thank
him. Should I tell you what I did, or
let your imagination do the work?

When asked why we do adult photos and videos, we tell them because we love sex. I grew up in a house where things were very open about it and so I was comfortable with it. After I did a shoot or two, I got comfortable with a camera, and then when girls became involved, it took a time or two but I got comfortable with that, too.
